Provide with this form a transcript of grades for your most recent academic term. An unofficial transcript sent by you is sufficient at this time. When you have completed the current academic term, please send an **official final transcript** from your school (sent either by you or your school), for the academic year just completed. The Scholarship Committee must receive this **official transcript** no later than June 30. Scholarship grants will be awarded in late April, pending receipt of final transcript by June 30. You will be notified in early May of your scholarship status. **If your official final transcript will be sent by your school directly to the chair of the Scholarship Committee, so indicate here.** \_\_\_\_\_

**(Please check to make sure your application is complete. Incomplete applications will be delayed.)**

While a scholarship is a grant, not a loan, the Scholarship Committee hopes that, in the future, when your finances permit, you will prayerfully consider contributing to the Mathes or Dunaway Scholarship Funds.
